Background Information

As part of its purchasing process The Vashon Island School District (VISD) wishes to receive quotes for technology products. This RFP serves as a way to *pre-qualify* vendors for ongoing and large-scale purchases of technology equipment by the district. Pre-qualified vendors will be eligible to bid on projects that span several years or may exceed \$75,000 over the course of a single year. The district is interested in receiving bids for the following technologies: chromebooks, Chromebooks and management licenses, as part of a multi-year refresh of VISD technology infrastructure. Vendors may include other items in their responses. Vendors may bid on some but not all of the technologies listed in this RFP.

This RFP serves as a way to *pre-qualify* vendors for ongoing and large-scale purchases of technology equipment by the district. Pre-qualified vendors will be eligible to bid on projects that span several years or may exceed \$75,000 over the course of a single year.

VISD plans to procure the equipment between **March 1, 2022 and August 31st, 2025**. VISD prefers to procure the equipment from vendors who participate in Washington State or similar (KCDA, NASPO) buyers contracts or similar approved cooperative purchasing vehicles.

Other Services Not Otherwise Specified

Vendors are welcome to bid on services or products not otherwise specified above but VISD reserves the right to reject requests for information or ignore queries which fall outside of the scope of the district's needs. All questions or responses must be directed solely to the VISD Technology Department.

Decision to award

The decision to replace or upgrade the existing computer equipment at VISD will be a cost benefit decision. Vashon Island School District reserves the right to award all, only a portion of the equipment listed in the purchase agreement, or none, to any one vendor. Please be aware of this when providing a price quote for your services. This RFP serves as a way to *pre-qualify* vendors for ongoing and large-scale purchases of technology equipment by the district. Pre-qualified vendors will be eligible to bid on projects that span several years or may exceed \$75,000 over the course of a single year.

The preferred method of receiving bids is via email.

Thane Gill
Acting Technology Director
Vashon Island School District
Email: rfp@vashonsd.org
206-463-8642
6. All questions must be submitted in writing via email to rfp@vashonsd.org. VISD will attempt to provide answers to questions within 24 hours of receipt of questions, but cannot guarantee a response to all questions. All vendor questions and answers will be posted to <http://rfp.vashonsd.org> . Vendors are responsible for monitoring their emails and the above website for addendums, changes and questions and answers regarding this RFP.
7. QUANTITIES: The District purchases the approximate quantities if listed. These amounts are given for figuring the bids only and are not to be considered as definite, as the District reserves the right to purchase more or less of the products depending on the need.
8. INSPECTIONS: Upon delivery, inspections of each item will be made by an authorized representative at the point of delivery. Acceptance of items will be made after the inspection determines that all requirements of product specification have been met.
9. RENEWAL OPTIONS: At the option of the School District, this contract may be renewed for four (4) consecutive one-year periods. Each one-year renewal period would begin September 1 and continue through the following August of each year.
10. Proposals must include warranty terms for all equipment being proposed. This should include initial warranty, warranty periods, and warranty RMA procedures and costs if any.
11. Proposals will be evaluated based on the following categories in no specific order:
 - Acquisition Price
 - Ability to meet technical specifications
 - Three (3) year support costs
 - Warranty

Cost is the most important category, but not the only decision-making factor. Including cost and other factors, VISD reserves the right to award not to the most cost-effective vendor based on the highest total number of points awarded across all categories.
